

Application for Matching Scholarship

The European Graduate School offers a Matching Scholarship program. It is intended exclusively for students who are unable to finance their studies themselves. The EGS offers a Matching Scholarship program, in which the Higher Education Institution matches money raised by the student up to a limit of \$2,000/CHF 1700 per student per year. The money to be matched may be raised from public institutions, employers and any scholarship-providing organization - bank and government loans are not eligible for matching funds.
